\$500 REWARD

Offered by the manufacturers

of Dr. Sage's Catarrh Remedy,

for a case of catarrh in the head which

they cannot cure.

SYMPTOMS OF CATARRH—Dull, heavy headache, irritation of the nasal passages
sometimes falling from the head into the throat, sometimes profuse watery, and, at others, thick, tenacious, mucous, purulent, bloody and purulent, the eyes are red and watery; there is a ringing in the ears, and a desire to vomit to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a "nasal twang"; the breath offensive, and the palate sore, there are attacks of diarrhea, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Number of cases usually, without naming half of the above-symptoms, occurs in consumption and end in the grave. No disease is so common, more desp-
-tred and dangerous or less understood by phys-
-icians.

By its mild, soothing and healing properties,
Dr. Sage's Catarrh Remedy cures the worst
cases of Catarrh, "Cold in the Head,"
"Coryza," and "Catarrhal Headache."

Send to druggists everywhere; 50 cents.

"Untold Agony from Catarrh."

Prof. W. Hartshorne, the famous mesmerist, of Utica, N. Y., writes: "Some two years ago I suffered greatly and frequently from Catarrh. My physician gave it as incurable, and said I must die. My case was such a bad one that every day, towards sunset, my voice would become so hoarse, and could barely speak above a whisper, we might say, that a slight clearing of the throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was well cured, and the cure has been permanent."

Constantly Hawking and Spitting"

Thomas J. Rusison, Esq., 2922 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not eat or drink properly. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only safe remedy for catarrh now manufac-
-tured, and one has only to give it a trial to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, will be mailed, postpaid to any address, on receipt of a two-cent postage stamp.
